

# Global Benefits Advisors

**worldwide security  
and peace of mind...**

**Global Benefit Advisors (GBA) is a full service international brokerage and consulting firm. Our focus is to provide effective, easy to administer solutions for individuals, businesses and organizations that have global employee benefit requirements.**

**We bring to this venture more than 75 years of combined highly successful international and domestic insurance experience, access to worldwide providers in all benefit lines, and an in depth knowledge of global underwriting, claims and general administrative requirements.**

**So whether your needs are related to short term business travel, a long term expatriate assignment, or domestic group insurance, we are uniquely qualified to provide you with the best in class solution.**

**GBA specializes in providing expatriate insurance plans that are designed to provide comprehensive overseas coverage to manage all potential risks that expatriates may encounter while living and working abroad.**

# **w** **orldwide security and peace of mind...**

**Our plans can be tailored to fit with a corporation's unique benefit philosophy. Smaller populations can utilize preset products that are universally accepted as essential coverage for expatriate employees. No matter what options are selected, GBA ensures that a core level of coverage is common to all placements.**
